Hi Don et al.

Laura (our deputy chief of staff) and I are meeting with the Chief Legislative Analyst (CLA) office tomorrow to discuss our options. They won't put our item on the Budget and Finance Cmte agenda until we hold this meeting. From there we go before the full City Council, hopefully before the end of the year. I am hopeful we will be successful in getting the City to cover all costs since we know we are getting a sweet deal. I'll email everyone tomorrow afternoon after our meeting and let you know how it went.

How are the Title Reports coming along? After our meeting tomorrow with the CLA I am going to set up meeting with the guy from the Bureau of Engineering Real Estate division who offered his assistance. We have to run these two issues on parallel tracks: 1) Fee Waivers 2) Strip Lot Dedications

Once we have a date set for Budget and Finance Committee, it would be helpful if we all contacted the councilmembers offices who sit on the committee and fill them in beforehand.

Good Morning Nate...

Any news yet on what the schedule is or whether or not Bil;l has been able to make any progress with Councilman Parks? Is there anything any of us locals can do to help? Thank you.
